

Please carefully, read and sign the following Informed Consent:

- I authorize the Cambridge Public Health Department in partnership with Cambridge Public Schools to provide COVID-19 testing for ill children, or COVID-19 surveillance testing for children, using a painless, well-tolerated technique with an anterior nasal swab.
- I acknowledge that a positive test result is an indication that my child must isolate as directed in an effort to avoid infecting others.
- I understand the health department is not acting as our medical provider. This testing does not replace treatment by our medical provider. I assume complete and full responsibility to take appropriate action with regards to my child's test results.
- I agree our family will seek medical advice, care and treatment from our medical provider as needed, and especially if my child's condition worsens.
- I authorize Cambridge Public Schools to release demographic data from my child's educational record required to facilitate the testing. This data includes, but may not be limited to; student ID, Name, DOB, Gender, Race, Ethnicity, Address, phone, and email.

Results will be emailed to the parent/guardian at the email address provided below.

Date _____ Parent/Guardian Phone _____
 Student's First Name _____ Parent/Guardian Email (for results) _____
 Student's Last Name _____
 Student's Date of Birth _____ PLEASE PRINT
 Student's ID# _____ CLEARLY _____

Parent/Guardian Signature _____

Complete this form one of three ways:

- 1) Complete it online in the Back-to-School Family Portal (https://secure1.cpsd.us/back_to_school)
- 2) Bring the completed form to your child's school, or
- 3) Email it to the school nurse.
