

The CPS Controlled Choice Plan's primary purpose is to create a student body that reflects the diversity of the City in all of our schools. We diversify our schools on the basis of socioeconomic status (SES), as measured by the percentage of students who would and would not qualify for the federal Free or Reduced Price Meals Program.

When registering for school, you are asked to complete this Controlled Choice Form. Your answers help us determine in which assignment category your child's registration belongs: Free/Reduced Lunch (F/R) or Paid Lunch. The information is solely used for the purpose of making school assignments in accordance with the SES percentages for each assignment category as defined in the Controlled Choice Plan.

Currently, CPS operates under the Community Eligibility Program (CEP) and complete meals are available at no cost to all students, eliminating the collection of free and reduced meals applications; however, through Controlled Choice, our SES assignment categories remain based on the income eligibility guidelines for the Free or Reduced Price Meals Program.
