Home Language Survey

Massachusetts Department of Elementary and Secondary Education regulations require that all schools determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.

Controlled Choice Form

Voluntary Disclosure of Eligibility for Free/Reduced Price Meals for the Purpose of School Assignment

The CPS Controlled Choice Plan's primary purpose is to create a student body that reflects the diversity of the City in all of our schools. We diversify our schools on the basis of socioeconomic status (SES), as measured by the percentage of students who would and would not qualify for the federal Free or Reduced Price Meals Program.

When registering for school, you are asked to complete this Controlled Choice Form. Your answers help us determine in which assignment category your child's registration belongs: Free/Reduced Lunch (F/R) or Paid Lunch. The information is solely used for the purpose of making school assignments in accordance with the SES percentages for each assignment category as defined in the Controlled Choice Plan.

Currently, CPS operates under the Community Eligibility Program (CEP) and complete meals are available at no cost to all students, eliminating the collection of free and reduced meals applications; however, through Controlled Choice, our SES assignment categories remain based on the income eligibility guidelines for the Free or Reduced Price Meals Program.

Please refer to the chart titled, "Federal Eligibility Income Chart" at the bottom of this page and indicate yes, no, or that you decline to

student Registration Center all information on this form. I egistration Center may use this information to help determine to release this information. I understand that if I elect not to ration Center will consider my child non-eligible for free and school assignment for my child.
