SUPPLEMENTAL INFORMATION: Ricoh USA, Inc.

District Wide Contract: Maintenance, Supplies & Leases of Multi-Function Printer (MFP) Machines

Total Amount of Contract: \$360,000.00

The district leases multi-function printers (MFP) for all schools and departments. MFPs provide printing, copying and scanning functionality. Most schools have two or three MFPs, which serve as the primary printer, copier and scanning machines for the entire school. Each machine is leased on a three-year term, and the annual cost ranges between \$3,200 and \$4,200, depending on features, including whether the machine offers color printing. Supplies (e.g. toner) and maintenance are additional costs.

CPS must execute a contract for the full estimated annual cost of MFP leases plus the cost of supplies and maintenance. The FY 24 contract amount is based on the volume of products/services purchased in the prior fiscal year. Ricoh USA, Inc. is a state contract vendor. Based on last year's expenditures (see table below), we seek to execute a blanket contract for the district for FY24 valued at \$360,000.00
