SUPPLEMENTAL INFORMATION: Imagine Learning

Purpose: Imagine Learning is a teaching and learning platform that provides digital access to the Illustrative Mathematics curriculum in grades K-8. We use the Illustrative Mathematics curriculum as a Tier 1 elementary math curriculum for grades K-8.

Amount of Contract: \$92,715.00

Description/Scope of Services:

Imagine Learning is the online platform for teaching our Tier 1 math curriculum, Illustrative Mathematics. The platform provides educators with all the resources they need to plan and teach lessons. This includes unit overview videos, planning maps with materials needed, inspirational read-world videos to introduce the concepts of each unit to students, and overview videos for educators with the key learning goals and strategies highlighted in each unit. The platform allows easy access to daily lesson slides with teaching notes, virtual manipulatives, online games that can be assigned to students, and access for students to complete and submit work online. The platform also has family-facing resources such as family letters and videos for each unit.

This contract with Imagine Learning will support the renewal of the online curriculum in grades K-8.
