--In School Committee--

Ordered:

That Whereas Cambridge Public Schools values a collaborative relationship between CPS schools and Cambridge's Out of School Time (OST) Programs in order to ensure continuous and appropriate learning throughout the day for the many CPS students attending afterschool programs; and

Whereas the different ending times of CPS schools makes quality programming difficult for afterschool programs, resulting in lost OST learning opportunities for students; The School Committee requests that the administration provide an estimate of the added transportation costs if all CPS elementary schools ended at the same time, and if all CPS Upper Schools ended at the same time. This estimate is requested by March 19, 2019.
