WHEREAS: The Cambridge Public School District will be reintroducing Algebra to Upper School students starting in the fall of 2026; and

WHEREAS: This will be the first time in its history that the District will be taking all of its 8th grade students through this material; and

WHEREAS: Students today differ in preparedness, but it is our responsibility to ensure that they all have a great experience in the course, and successfully work through all material; now therefore be it

RESOLVED: That the Superintendent will report to the School Committee – before the final budget presentation – how we will be staffing our Upper School mathematics classrooms, such that the Committee can determine if additional support will be required, in its opinion.
