This grant aims to build capacity of school districts to develop comprehensive, integrated multi-tiered systems for student, family, and educator social-emotional and/or mental health supports. This funding reflects an additional, state-funded allocation to our FY24 SEL & Mental Health Grant (SC24832). The original federal grant was \$63,000 and funded coaching, professional development, and professional subscriptions for SEL staff. All new activities in SC24833 are aligned with SC24832.
