TO THE HONORABLE MEMBERS OF THE SCHOOL COMMITTEE:

Approval of Global Revisions to Polices in School Committee Policy Manual

Recommendation: That the School Committee approve the following global revisions to the policies in the School Committee Policy Manual in order to ensure clarity and accuracy throughout all of the policy documents.

Description: In order to ensure more accurate information it is recommended that occurrences of the following phrases be replaced, as appropriate, throughout all of the policies in the School Committee Policy Manual:

- Update current contact information for any offices or agencies referenced in policies
- Update titles in policies (i.e., change principal/head of upper school to principal and change Executive Director of Human Resources to Chief Talent Officer)
- Update names of policies that are referenced in other policies (i.e., change Non-Discrimination Policy and Prohibition Against Sexual Harassment to Non-Discrimination Policy and include Title IX/Sexual Misconduct Policy).

This is a second reading of these proposed revisions to the School Committee Policy Manual.
