SUPPLEMENTAL INFORMATION: Edia Learning Inc.

Purpose: Math Enrichment & Support

Amount of Contract: \$34,500.00

Description/Scope of Services:

The Office of Academics and Cambridge Rindge and Latin School (CRLS) would like to partner with Edia Learning, Inc. to provide AI tutoring to upper and high school students working on mathematics problems, and professional development to coaches and teachers during the 2025-2026 school year. This partnership should provide enrichment opportunities to students to extend their learning when they have academically placed out of the iReady My Path in the upper schools, and have robust dividends both in student success in classes and for mathematics MCAS in the high school .

The Office of Academics would like to purchase 100 digital licenses for upper school students who have placed out of iReady MyPath for the 2025-2026 school year. The total cost for these licenses is \$5,020.00

CRLS would like to purchase 1,200 digital licenses for CRLS students taking Algebra 1 and Geometry during the 2025-2026 school year. The total cost for these licenses is \$29,480.00. In addition to the enrichment with AI tutoring that will be provided to students, Edia Learning, Inc. will also offer professional development services to math educators during the 2025-2026 school year. Edia Learning, Inc will also provide a Customer Support Manager to provide real-time support to teachers using the platforms during the school year.
