Resolved: Having convened in an open meeting on February 5, 2019, prior to the SOI submission closing date, the School Committee of Cambridge, Massachusetts, in accordance with its charter, by-laws, and ordinances, has voted to authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest Form dated no later than February 15, 2019 for the Morse School building located at 40 Granite Street which describes and explains the following deficiencies and the priority category for which an application may be submitted to the Massachusetts School Building Authority in the future.

The Cambridge School Committee hereby further specifically acknowledges that by submitting this Statement of Interest Form, the Massachusetts School Building Authority in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment from the Massachusetts School Building Authority, or commits the City/School District to filing an application for funding with the Massachusetts School Building Authority.

Description: The language of the resolution set forth above is the form of vote required by the Massachusetts School Building Authority in order for a Statement of Interest Form to be submitted to the Massachusetts School Building Authority.

Respectfully submitted,
