RESOLVED: That the Cambridge Public School District (CPSD) shall establish a system for the equitable **identification** of advanced learners and advanced learning needs before the beginning of the 2025-26 school year, to be implemented for the start of the 2025-26 school year. RESOLVED: That identified students will be **supported** beginning in the 2025-26 school year through a range of existing instructional strategies, including, where appropriate, enrichment, differentiated instruction, and integration into the district's Multi-Tiered System of Supports (MTSS), and new strategies where appropriate. These approaches will be responsive to students' readiness and designed to extend Tier 1 instruction when appropriate; and be it further

RESOLVED: That CPSD will prioritize **caregiver communication and family engagement** when identifying and meeting advanced learning needs by establishing a plan before the beginning of the 2025-26 school year, not later than August 31, to be implemented in the 2025-26 school year to provide clear information to caregivers about identification processes, available supports, and how they can bring concerns forward, and to ensure that caregiver input on decisions about their child's learning will be documented and incorporated into support plans; and be it further

RESOLVED: That before the beginning of the 2025-26 school year, not later than August 31, the Superintendent or designee shall develop procedures to **implement and monitor the implementation** of this policy and ensure ongoing support at the school level to be implemented in the 2025-26 school year, and to include an update to the School Committee no later than January 31, 2026.
