approve the grant award below in the amount and for the period indicated:

FY23 Coordinated Family & Community Engagement for the period of July 1, 2022 to June 30, 2023 in the amount of \$263,815.00. Grant SC23851.

Description: This CFCE grant supports pre-school-aged children and their families through a collaboration between CPS and the City of Cambridge DHSP's Center for Families. Together they provide a seamless network of programs that are responsive to diverse families, including: conducting ongoing outreach, information, and referrals; providing family literacy-based play groups and community-wide activities; partnering with public schools and community-based programs to support Kindergarten registration and screening; providing family education and support services; and engaging families in supporting early childhood development through utilization of the ASQ screening tool and follow-up activities and referrals to address challenges early. In CPS, the grant funds 0.1 FTE of the Early Childhood Specialist who co-facilitates mother support groups and other family support programs. The majority of the grant funding is subcontracted to the Center for Families, supporting many types of specialist positions.
