Ordered:

That the following be placed on the Calendar: That

Whereas the School Committee has expressed ongoing concern about the CRLS practices of reducing grades for high school students who are frequently absent or tardy without accepted excuses (Attendance Violations), the School Committee requests data from the Administration from the first and second semesters of 2018-2019 on the total number of students whose grades were reduced due to Attendance Violations, as well as these grade reduction frequencies disaggregated by gender, race, income, ELL status, and disability status. This data is requested before October 15, 2019. The School Committee further requests that, going forward, this data be provided to the School Committee after each semester of the 2019-2020 school year, in order for the School Committee to evaluate the effect of the new Attendance Violation policy.
