Jan 18, 2023

For next Tuesday's School Advisory Council meeting, we will spend the first part as a whole body with a planned transition at 8:25 for the specific subgroup meeting on 'Community Building.'

Community Building was the only group with more than one vote from our survey.* If you are not interested in Community Building, then you do not need to attend this portion of the meeting.

*The original intent was for us to have multiple working groups but, unfortunately, we would have to schedule separate meetings for each subgroup and we did not have enough interest in any of the listed subgroups besides Community Building.

Format:

You have a choice of attending in-person **or** virtually. We have the first floor conference room available for our meeting. We will also have a Zoom feed streaming into the meeting.
