NOTES:

- September minutes: approved
- Goal of survey questions: provide temperature check to see how students/caregivers feel about the school environment
- Caregiver debrief
 - Using original questions and changed them according to what we want to hear from parents
 - yes/no questions, question 3 is more open ended
 - 3 questions to not overwhelm, easily understood
 - Strongly agree, agree, strongly disagree, disagree rating
 - Separate question 3 into two questions, a rating and more feedback
- Student debrief
 - Prioritize a sense of belonging
 - Conversations about belonging and feeling valued and respected felt important to add
 - Rating like math surveys (always, sometimes, never, thumbs up, thumb in the middle, thumb down)
 - Could use that scale for caregiver survey as well
 - Accessible for all students
 - Friends vs the feeling of belonging
 - Could the wordage be different for students who are happy and feel accepted, but may not feel they have friends?
 - Different question for lower elementary and upper elementary
 - Friends for JK-2
 - Belong for 3-5
- Care giver and student survey questions with scale: approved
- Will share these questions with the staff during the next staff meeting

- How will we share these out to caregivers?
 - ParentSquare message to caregivers about sending a paper copy of the form preferred language
 - Hold on distribution until logistics are answered
- Time frame
 - Data collect by Nov. 14th, our next meeting
 - Caregiver survey translations completed by oct. 23/24
- Move SIP to Nov. meeting
