

Data Review

We know the names of the students and their scores.

Chronic Absenteeism

Only area in which our target was not met

Health related issues and family trips

Sabbaticals does not affect our attendance

Lowest performers on the MCAS

Separating the data based on the reason for the absenteeism/ season

Panorama Climate Survey

240 Families

Action Steps

Seems parents are also stressed

Event scheduling one of the challenges

Class schedule

Keeping up with all the communication

More transparency on how students are being evaluated

Prioritizing events that will be repeated
